

WHO WE ARE

ORIX Rentec (Malaysia) Sdn. Bhd.
since 1996

ORIX Rentec (Singapore) Pte. Ltd.
since 1995

Specialist provider of innovative and customisable rental solutions.

Proven track record of quality assurance with ISO 9001:2015 certification. Endorsed by SIRIM QAS International and UKAS Quality Management.

Both companies are wholly owned subsidiaries of ORIX Leasing Malaysia Berhad (OLM), the pioneer equipment leasing company established in Malaysia in 1973. OLM provides diversified financial services and is backed by ORIX Corporation, one of Japan's largest integrated financial service institutions listed on the Tokyo and New York Stock Exchanges.

Founded in 1964, ORIX Corporation is today a notable global financial services group with worldwide operations.

WHY RENT FROM ORIX

Tax-Deductible

Rental payments can be treated as an expense item, improving corporate tax planning efficiency.

Hedges Against Inflation

Fixed periodic payments eliminate the risk of inflation and simplify cash flow planning.

Low Capital Outlay

Just one advance and minimal prepaid rental upon commencement (*subject to Terms & Conditions*).

Wide Range of the Latest from Renowned Brands

Desktop PCs, notebooks, workstations, servers, LED displays, projectors, printers, 10G / 100G ethernet testers, spectrum analysers, optical test equipment, signal generators, etc.

Protection Against Technological Obsolescence

Upgrade to the latest technologies as needed with our flexible rental scheme.

No Residual Value Risks

Equipment is returned to us after the rental period.

No Disposal Issues

No hassle of disposing of obsolete equipment.

Protect Your Data

Data wiping services (*with or without certificate*) and operating system reinstallations can be arranged upon equipment return to us, ensuring your data remains confidential.

Insurance Coverage

Equipment can be insured against theft, fire, and accidental damages.

Easy & Fast Delivery

We offer speedy and affordable delivery services in Malaysia and Singapore, and can also cater to same- / next-day delivery needs.

Full Range of Services Available

Our highly trained engineers offer services ranging from a simple computer set-up to network integration and server configuration.
